

# PARENT HANDBOOK

## **A Word from the Director**

Dear Parents,

Welcome to the First United Methodist Preschool of Lake Wales. I am proud to serve as Director and feel fortunate to have such a dedicated and talented staff working with me to make this Preschool one of the best in Polk County.

We are so glad that you have chosen us to be a part of your child's educational and spiritual life. By working together, at home and at school, we will strive to meet the needs of your child as he or she encounters new learning experiences and adjusts to the preschool environment throughout the year.

I want to stress the importance of reading this handbook from cover to cover so that you will be aware of the policies and procedures that we use as guidelines of our preschool. IF you fulfill this obligation, it will make for a better school year for you and your child.

My door is always open to you so please do not hesitate to come to me with concerns or questions. Let's work together in Christian harmony and make this one of the best school years of your child's life!

Tracy Kinney

### **What is first United Methodist Preschool?**

Our preschool is a half-day, informal learning experience for boys and girls two thru four years of age. It provides children of all race and cultures with an opportunity to learn skills, to socialize with children their own age, learn new games and songs, do crafts and to experience bring away from home for short periods of time. It is operated by a committee of church members that are selected for their interest in quality education. It is a non-profit program operating as a service to the community.

### **Our Philosophy**

First United Methodist Preschool focuses on the whole child socially, cognitively, emotionally, physically and spiritually. Our program is based on the guidelines established by the National Association of the Education of Young Children (NAEYC). Each child is born with potential. We know that the Preschool years are the most critical time in a child's development. They will learn trust, self-expression and self worth, depending on their environment and experiences. We, therefore, as an extension of the family, provide them with a warm, caring safe and secure environment in which to explore and discover those things around them and within themselves. In this environment, we offer the opportunities for children to make choices that will enhance their naturally emerging skills. We encourage independent thinking, curiosity, exploration and discovery through development appropriate curriculum, materials and methods. It is through movement and discovery, rather than a mobile state that children grasp and learn about the world around them.

First United Methodist Preschool provides a developmentally academic program. As stated above we believe that children learn developmentally, therefore the emphasis of our program is on the individual child and his/her own level of development; thus most of a child's time is spent moving from activity to activity as he/she chooses, with the teacher stimulating, not demanding, him/her to experience new learning situations. The rooms are filled with learning centers for the children to work in and the teachers keep detailed records of the children's progress. Group learning situations are also planned in which the children participated in field trips, in activities encouraging self-expression and creativity, or in projects touching the fields of science, music, art or physical development. Our belief is that children don't need to be forced to learn. They want to learn and they will. We provide those opportunities for them and then they enhance them with their imagination, innocence and eagerness to discover and explore.

### **Mission Statement**

Love, educate and minister to the children and families of the church and community.

Gears, twigs leaves...little children love the world. That is why they are so good at learning about it. For is love not tricks and techniques of thought, that lies at the

heart of all true learning. Can we bring ourselves to let children learn and grow through that love?

-Dr. Haim Ginott

### **First United Methodist Preschool Policies**

The Preschool program will be conducted in an accredited manner in accordance with Department of Children and Families and First United Methodist Association of Preschools guidelines.

Tuition is for the year. This will be made payable in 9.5 monthly installments which will be due the first of each month, in advance. All checks will be made payable to the First United Methodist Preschool. After the tenth of each month, tuition will be considered late if it had not been paid. In this instance, **a late fee of \$20 will be charged**. All fees are due by the end of the month.

Registration is for the whole school year. A registration fee is required and is non-refundable. The Supple Fee for the year is due in August at orientation.

The budget is formulated on a filled classroom. If a child's withdrawal becomes necessary, the person in charge of the child will be financially responsible until that opening is filled. Extenuating circumstances can be discussed with the Director.

In accordance with State Legislature, a child must have reached the appropriate age on or before September 1<sup>st</sup> to enroll in each age group. For example: a child must be 4 years old on or before September 1<sup>st</sup> in order to enter VPK (pre-kindergarten).

Preference for enrollment will be as follows:

1. Methodist Church Members... girls & boys
2. Children presently enrolled
3. Siblings of children presently enrolled
4. Children on the waiting list
5. Open to the public

All information on the registration form must be completed. A discipline consent, child placement form and contract should be signed and placed on file with the child's record. Physical and immunization forms, signed by the physician, meeting the requirements of the Department of Children & Families, should also be placed on file.

In order to maintain a healthy classroom environment, no child will be admitted to school with a **fever, runny nose, bad cough, diarrhea, vomiting, or other signs of illness**. During school hours if a child becomes ill, the child will be removed from the classroom and placed in the office. The parent will be called immediately to

come and pick up the child. Medicine that has been prescribed by a doctor may be given only if a medical permission form has been put on file in the office. **NO TEACHER CAN ADMINISTER MEDICINE WITHOUT THIS FORM.**

**Children entering into the three year old and four year old programs must be potty trained and able to take care of their bathroom needs. Pull ups are not permitted.**

Children will not be permitted into school after **8:45 a.m.**, it is very important for them to arrive on time. **The security doors will be closed at 8:30 a.m. After that a child will be considered tardy.** We are providing a quality program and arriving late continually interrupts the classroom schedule.

Extended care children will have play time, lunch, rest, and snack time. If at anytime a child is not able to adjust to the afternoon routine, other arrangements will have to be made.

Extended care lunches must include a healthy lunch that does not require heating up. An ice pack must be included in the lunch box to keep the lunch cold.

When providing snacks or party items for the classroom, these items must be store bought packaged items. **NO HOMEMADE ITEMS CAN BE SERVED IN THE CLASSROOM.**

**No balloons or lit candles** are allowed in the classrooms, due to safety requirements.

Students are not permitted to wear GPS Kids Tracker wristwatches.

Use of media; such as video or Ipad, during classroom time will be limited. A video, to be used to enhance the subject matter, will be permitted on occasion.

Goals of religious education of Preschool age children should always be kept in mind. No apologies are necessary for religious education in a church-related Preschool. Bible stories and bible verses will be taught weekly. Particularly those stories about Jesus, will be used often. Once a week, the chapel will be attended by all classrooms in the church sanctuary.

**School Hours will be as follows:**

VPK	8:15am – 11:45am
Three Year Olds	8:15am – 11:30am
Two year olds	8:15am – 11:15am

(Security doors will be opened at 8:15am and closed at 8:30am. Children will be considered tardy after 8:30am)

No children visitors will be allowed in the classroom or kitchen area; and under no circumstances will the preschool be asked to serve as a nursery due to DCF rules and regulations.

DUE TO SAFETY, ANY SIBLINGS, INCLUDING CHILDREN WHO ARE NOT ENROLLED AT FUMP, ARE NOT PERMITTED TO ATTEND CLASSROOM EVENTS THAT ARE INSIDE OR OUTSIDE THE CLASSROOM. THIS INCLUDES BIRTHDAY PARTIES, FALL FEST, SPLASH DAY EVENTS, HOLIDAY EVENTS, ETC. HOWEVER, WE WELCOME SIBLINGS AND FAMILIES TO OUR CHAPEL TIME ON THURSDAYS, AND SIBLINGS ARE WELCOME TO ATTEND PARADES IN A STROLLER OR HELD.

Parent visitation or other observers in the classroom will not be allowed unless arrangements have been made ahead of time with the Director.

An individual conference with each parent is recommended the latter part of the year for every child.

A traffic pattern will be strictly adhered to each year. To avoid traffic congestion, each child that will walk to the door of their classroom by themselves will be dropped off in the half circle in front of the education wing or on the side of the education wing. AT NO TIME SHOULD THE HALF-CIRCLE OR THE SIDE OF THE EDUCATION WING BE USED FOR PARKING YOUR CAR. THESE TWO PLACES WILL BE USED FOR CONTINUAL TRAFFIC FLOW. If a parent walks their child to their classroom, then they will park in the parking lot provided. The parents will be expected to follow the arrows that are painted on the pavement.

Children in the two-year-old program will be picked up in their classroom at 11:15 a.m. by an adult. Their teacher will not place them in a car. The three year olds will be brought to their car and picked up at 11:30 a.m. in the semi-circle in front of the school. **VPK parents are to sign in their child in the morning and pick up in the car line on the side of the school at 11:45 a.m.**

**Extended Care hours will be observed by the parents. Pick up is by 5:30 p.m. If a parent is late, they will be charged \$5 for the first minute and \$1 per minute for every minute after that. After 3 times of being late the child will not be permitted to stay in extended care.**

Teacher requests will not be honored.

Tuition is due on the first of each month and will be **considered late after the tenth** of the month. If tuition or extended care fees have not been paid by the thirtieth of the month, then your child will not be able to attend school until your balance has been paid in full.

\*In regard to policies, special circumstances may be dealt with on an individual basis.

## **Discharge Policy**

The first United Methodist Preschool reserves the right to cancel the enrollment of a child for the following reasons:

- non-payment or excessive late payments of fees
- excessive tardiness
- not observing the rules of the center as outlined in the parent handbook
- child has special needs which we cannot adequately meet with our current staffing patterns
- physical and/or verbal abuse of staff or children by parent or child

### **Chronic Disruptive Behavior**

We will make every effort to work with the parents of children having difficulties in child care. We are here to serve and protect all of our children, though. Children displaying chronic disruptive behavior which has been determined to be upsetting to the physical or emotional well being of another child may require the following actions.

- **Initial Consultation**

The director may require the parent(s) of any child who attends the First United Methodist Preschool to meet for a conference. The problem will be defined on paper. Goals will be established and the parent will be involved in creating approaches towards solving the problem.

- **Second Consultation**

If the initial plan for helping the child fails, the parent(s) will again be required to meet with the Director. Another attempt will be made to identify the problem, outline new approaches to the problem, and discuss the consequences if progress is not apparent.

- **Suspension**

When the previous attempts have been followed and no progress has been made towards solving the problem, the child may be suspended from childcare indefinitely. The Director may immediately suspend a child at anytime he/she exhibits a behavior, which is harmful to him/herself or others. A parent may be called from work at anytime the child exhibits uncontrollable behavior that cannot be modified by the childcare staff. The parent may be asked to take the child home immediately. Suspensions from the childcare program may vary from a few hours to an indefinite period.

### **VPK ATTENDANCE POLICY...**

First United Methodist Preschool provides 540 instructional hours to prepare the VPK students for Kindergarten. **To accomplish this goal your child needs to attend school each day and be on time, unless they are sick.** If your child is absent more than 3 days of consecutive, the preschool requires a doctor's note signed/dated to be kept on file. **Excessive absences could result in your child being terminated from our program. Parents are required to sign their child**

**in and out each day. We need all our students to be on time and ready to “Learn, Play, Grow.”**

However, if this occurs you must contact the school by 11:00 a.m. in order to use our extended care services. A \$10 late fee will be charged to your account unless you contact the school office by 11:00 a.m. informing staff you need extended care services.

We have certified staff that stay everyday for Morning Care and Extended Care. You will need to provide your child with a **nutritional lunch and drink**. If you would like us to provide a lunch at any time we will be glad to. There is a \$3 charge for this service.

### **Insurance / Safety**

In case of an accident here at school, any expense that is not covered under the parents personal insurance the schools policy will cover. Utmost precautions are taken to prevent accidents. First Aid is administered to all minor injuries. An accident report is written and placed in the child's file. Parents will be notified of accidents. Every child in our preschool program will need to wear play clothes so he or she can have fun. We suggest no overalls; they are much too difficult for the children to remove for toileting. We are especially safety-conscious about our children on the playground. An open-toed sandal, flip-flops, crocs, clogs baseball cleats and boots with hard heels are not permitted. These particular shoes can easily get caught on the climbing equipment and allow sand and wood chips to get in between their toes which causes discomfort. We suggest no expensive jewelry to be worn; the school will not be responsible for lost jewelry during school hours. Let's keep our children needs in mind when we dress them each day.

### **Health**

Please keep your child at home if he or she shows any of the following symptoms: runny nose (with yellow or green mucus), fever, rash, nausea or diarrhea. If your child has a runny nose due to being diagnosed with allergies, a sign note from the doctor is required.

If you are called during the school day to pick up a sick child, please make arrangements to do so promptly, as the school office is used as an isolation ward. If a child shows any of the above symptoms, either a doctor's note or a minimum of 24 hours free from the problem is necessary for a child to return to school. If a child has major surgery he/she cannot return to school until a release form, signed by the physician is given to the director and placed in child's file.

### **Refreshments**

Children are served nutritional snacks, along with beverage. If you would like to provide a snack for your classroom or grade level, please contact the child's teacher or the lead teacher of your child's grade level. This will prevent perishable snacks such as fruit, vegetables, etc... from spoiling if they have planned ahead of time.

### **Birthdays**

Birthdays can be celebrated in the classrooms if the parent wants it celebrated at the school. Parents should contact the teacher to discuss the time of the party, what to bring, etc. **We ask that NO balloons be brought to parties.** Remember, no homemade items are permitted for snacks; this is a policy of the Department of Children and Families.

### **Transportation**

The preschool does not furnish transportation. We must be notified with a dated written note if someone will pick up your child other than the persons that you have indicated on the registration form. We are willing to work with you on this, but

refuse to give your child to someone we do not know without specific permission from you. This is for your child's protection.

### **Show and Tell**

Show and tell will be different in each grade level. The teachers will let you know, through the newsletter or other written communication, if they will be having show and tell and when it will take place. Small toys, books, etc. can be brought to share on show and tell days. Nature items are welcome any day of the week. Please no guns, knives toys of that nature.

### **Newsletters**

Class newsletters and Director newsletters will be coming home once a month. If you would like an extra one, please let us know. You can view the Director's newsletter each month on our website at [fumplakewales.org](http://fumplakewales.org). All newsletters can viewed on our Facebook page also.

### **Field Trips**

Each age level goes on a field trip during the school year. The preschool does not transport children at anytime. Your teacher will let you know the destination of the field trip and you will meet them there with your child. The teachers will let you know if siblings are permitted; depending on the field trip. **DEFINITION OF SIBLING: ANY CHILD (BORHTER/SISTER) OF AN ENROLLED STUDENT.**

### **Chapel Time**

### **WAYS PARENTS CAN HELP**

Make yourself aware of all school policies.

Read the parent handbook, visit the web at [fumplakewales.org](http://fumplakewales.org), and click on calendar for monthly reminders of upcoming events. Read the newsletters and any other form of communication that comes home with your child from the director or teacher.

Help your child attend preschool regularly; only missing when they are sick.

Read to and talk with your child on a daily basis.

Take time to listen to what your child has to say.

Attend all parent meetings.

Communicate assurance of love to your child regardless of his or her pace of learning.

Teach your child self-reliance by encouraging him or her to do some things for themselves. Allow them plenty of time to accomplish the task. Teach them to put on, take off and hang up their things. Teach them to put away their toys, eat regularly and properly and to establish regular routines for bedtime.

When you bring your child to school the first several weeks, here are some tips to help with that transition. First tell your child what you will be doing while he or she is at school and that you will be back soon to pick them up. Leave the campus and call the preschool office within an hour, if you are concerned, and we will check on your child and let you know how they are doing. **It is very important not to prolong drop off time if your child is upset. It will make it much harder on your child.**

Appreciate your child's art and class work he or she brings home. Parent comments such as "Tell me about it," is great way to show you are interested in his or her work. Praise your child's efforts. It helps build self-confidence.

Take an interest in your child's experiences. Help your child develop a wholesome, friendly attitude toward his or her teacher.

Refrain from being on your cell phone while dropping off and picking up your child. Greet your CHILD with a SMILE NOT A MOBILE.

Do not judge the value of your child's preschool school experience by the number of pieces of paper they bring home each day.

Confer with the teacher about your child, but refrain from discussing the child in his or her presence. Work with the teacher concerning any problems that may arise. Report any upsetting experiences that you think will help the teacher understand your child better. Notify the school of any situation at home, which could affect your child's behavior.

Enjoy and love your child each day; as they truly are a gift from God.
